The Writer's Diet Helen Sword, 2016-05-02 This book offers an easy-to-follow set of writing principles. For example, use active verbs whenever possible, favour concrete language over vague abstractions, avoid long strings of prepositional phrases, employ adjectives and adverbs only when they contribute something new to the meaning of a sentence and reduce your dependence on the waste words: 'it', 'this', 'that' and 'there'. The author also shows these rules in action through examples from famous authors such as Shakespeare and Emily Dickinson. The book includes a test to help you assess your own writing and get advice on problem areas.

Banner in the Sky James Ramsey Ullman, 1988-04-15 The Citadel It stands unconquered, the last great summit of the Alps. Only one man has ever dared to approach the top, and that man died in his pursuit. He was Josef Matt, Rudi Matt's father. At sixteen, Rudi is determined to pay tribute to the man he never knew, and complete the quest that claimed his father's life. And so, taking his father's red shirt as a flag, he heads off to face the earth's most challenging peak. But before

Rudi can reach the top, he must pass through the forbidden Fortress, the gaping chasm in the high reaches of the Citadel where his father met his end. Rudi has followed Josef's footsteps as far as they will take him. Now he must search deep within himself to find the strength for the final ascent to the summit -- to plant his banner in the sky. His father died while trying to climb Switzerland's greatest mountain -- the Citadel -- and young Rudi knows he must make the assault himself.

How could this new government make sure that one branch didn't gain too much power? Readers explore how the system of checks and balances works with examples of each type of check and balance.
